### Contents

|  |         |
|--|---------|
| Artifact Reading Activity                                | 2 pages |
| Map/Primary Document Activity                            | 6 pages |
| Developing a French Seigneury on Lake Champlain Activity | 8 pages |
| Pre-Visit Math & Measurement Activity                    | 2 pages |

These educational materials were developed as part of the 2006-09 project, *Lake Champlain Voyages of Discovery: Bringing History Home*. Project partners were the Vermont Division for Historic Preservation, Chimney Point State Historic Site, Vermont Public Television, Broadwing Productions, and the Bixby Memorial Free Library.

### FUNDING

Funding for these materials were funded by the Vermont Division for Historic Preservation and through the Lake Champlain Voyages of Discovery grant from the Institute of Museum and Library Services. Any views, findings, conclusions or recommendations expressed in the documentary film do not necessarily represent those of the Institute of Museum and Library Services.
